STATINTL NOTE FOR: [REDACTED]
STATINTL FROM : [REDACTED]
Office of General Counsel
SUBJECT : Systematic Review of Unevaluated Intelligence Reports

1. Attached for Mr. Blake's review is a rewrite of a proposed letter from the DCI to the Archivist. We have amended the original letter to recognize that the determination by the Director that unevaluated reports require continued protection will be made only pursuant to Executive Order 11652, not Executive Order 12065 which will not become effective until 1 December and which requires that systematic review guidelines be reviewed by the Oversight Office prior to implementation.

2. In addition, we have made one or two other changes for purposes of clarification with which I believe Mr. Blake should have no problem. If he agrees, I see no reason for you not to go directly to Mr. Carlucci.
